

Fairland Elementary

Parent Newsletter

A note from:
Mrs. Wade
Elementary Principal

As many of you have probably heard, we received a large donation on February 28th. We received \$100,000 for the elementary. This donation was from a person who has friends in our elementary school. They do not wish to have their personal name released. We are forever grateful to this person and how it will affect our school.

Our teachers and staff are working very carefully on ways to use this money that will have the greatest impact on our school. Our students have also written essays with suggestions. We are taking this opportunity very seriously and want to be wise stewards.

We are very excited to share that we had the highest grade on the State School Report Cards for our county. We scored a B. We are thrilled to have earned this! We have an amazing community and school. We appreciate all the work that our teachers, parents and students are doing each day to illustrate this.

We have a busy month ahead of us. This schedule as well as the Google calendar on-line reflects our upcoming events and activities.

State Testing begins next week for grades 3-5. (Some of SPED students have started testing this week.) All enrolled students in grades 3-5 must be assessed. Please make sure your child is here on time for each of their tests. We cannot interrupt testing once it begins.

We will be enrolling students for Pre-kindergarten and Kindergarten this month. Pre-kindergarten students must be four by September 1. Parents interested in enrolling their child in PreK should come to the elementary office on April 29th. It is on a first come, first serve basis. Parents wishing to enroll students in kindergarten who are **not** currently enrolled here should **call** and make an appointment. Please bring Social Security Card, State Birth Certificate, Shot Record, and CDIB Card (if applicable).

April

The Fairland Board of Education approved a Bond package for school improvements that our community will vote on Tuesday, May 14th. The following items are addressed:

- Safe Room / Tornado Shelter for the Elementary
- Three Additional Elementary Classrooms
- Additional Restrooms
- Moving / Upgrades to the Playground
- Improvements to the Elementary Gym
- Multipurpose Activity Center

Please exercise your right to vote on this day!
