## Parent Newsletter

A note from:  
**Mrs. Wade**  
Elementary Principal

We appreciate your support during the past week as we worked on trying to obtain adequate funding for our students. We have a busy month ahead of us. This schedule as well as the Google calendar on-line reflects changes made.

State Testing begins this week for grades 3-5. All enrolled students in these grades must be assessed. Please make sure your child is here on time for each of their tests. We cannot interrupt testing once it begins.

We will be enrolling students for Pre-kindergarten and Kindergarten this month. Pre-kindergarten students must be four by September 1. Parents interested in enrolling their child in PreK should come to the elementary office on April 24<sup>th</sup>. It is on a first come, first serve basis. Parents wishing to enroll students in kindergarten who are not currently enrolled here should **call** and make an appointment. Please bring Social Security Card, State Birth Certificate, Shot Record, and CDIB Card (if applicable).
