A note from:

Mrs. Wade

Elementary Principal

Happy New Year! We hope that 2018 brings good health, happiness, and success to you and yours! Let's all work hard to make a difference in the lives of others this year.

With this new calendar year comes a new school semester. We have less than five months left in this school year. We want to encourage our students and their parents to continue to make school a top priority.

Our first semester grade cards will go out on Friday, January 5. They will show how your child performed during the first half of the school year. This is a very crucial time. It is a time to analyze your child's school performance and to make any adjustment necessary to ensure they make appropriate gains. If you have any concerns or questions regarding their current progress, please do not hesitate to contact your child's teacher or myself. Please mark your calendars to discuss your child's progress in more detail during this upcoming Parent Teacher Conferences on February 6th and 8th.

100th Day School Challenge is due January 26th!
