Parent Newsletter

March 2020

A note from:

Mrs. Wade
Elementary Principal

Dress Code Changes

After Spring Break, students may wear shorts, sandals, etc. again. Please remember that fourth and fifth grade students may not wear spaghetti strap shirts. Tank tops must be two finger width wide for these students as well.

Students will need some type of **sneaker on PE** days to avoid injuries. Also, if they wear flip flops, you need to send an extra pair. We seem to have a lot of issues with this type of shoe breaking. We also have pea gravel around the playground equipment which can go through the thinner flip flops.

Events

Please read carefully this month's events. We have Read Across America, STEAM Night and Spring Break all happening.

April will begin our shortened weeks. We will not have school on Fridays in April. Please begin making plans for these days.

Tutoring

We are blessed to be able to provide tutoring options for your child. Our school pays for tutoring for students who are behind in reading in grades 1-3. This is coordinated by the classroom teachers and Mrs. Goins. We received a grant (again) from the Shawnees to pay our classroom teachers to tutor reading and math in grades 3-5. This "Boot Camp" tutoring approach will help get our students where they need to be by the end of the year and State testing. We also will have some summer learning opportunities for these students. Speak to your child's teacher regarding these opportunities if your child is in need of this.

Monday, March 2

- Read Across America Week
- Hat Day – We tip our hats to READING!
- Practice our Tornado Drill

Tuesday, March 3
